STEPS TO GUIDE YOU THROUGH THE APPLICATION PROCESS:

1

APPLICATION

Find the perfect job opportunity at www.sossecurity.com/careers. Complete and submit the mobile-friendly application online.

2

CONNECT

If it's a match, a talent specialist will contact you to go over the position and answer your questions.

3

SCHEDULE INTERVIEW

If the initial call goes well, you will be scheduled for an interview to discuss specifics about the job and working for SOS Security.

4

CONTACT

After your interview, if we decide to move forward, you will receive a call to discuss the application process and a verbal job offer.

5

SCREENING

Upon receiving and accepting the verbal job offer, we will schedule all applicable testing including drug screening and assessments.

6

BACKGROUND CHECK

In addition to the drug screen, SOS Security will run a background check with an average turn-around time of 2-5 days.

7

ONBOARDING

After you have passed all required screening, you will need to complete an on-boarding package with all necessary hiring paperwork before you move forward.

8

ORIENTATION

You made it! Time to go to orientation to learn about working at SOS Security and the expectations for your specific role and work site.

9

CPR AND OTHER REQUIRED TRAINING

CPR training is provided for most of our sites. SOS Security provides this training at no cost. Your supervisor will talk to you about any additional training that may be needed.
